ACADEMIC ENRICHMENT PROGRAM

Our Academic Enrichment Program offers a nurturing, structured environment where children continue their learning beyond the regular school day through individualized, hands-on activities rooted in Montessori philosophy. Designed to meet the needs of every child, the program incorporates academic enrichment in language, math, practical life, sensorial exploration, and cultural studies, all adapted to the child's developmental stage and learning style. In addition to Montessori lessons, children engage in creative enrichment through dance, art, music, and theater, fostering self-expression, confidence, and collaboration. With a balance of focused work time, creative exploration, and opportunities for social interaction, our program supports academic growth, independence, and well-rounded development in a calm, engaging atmosphere guided by trained Montessori staff.

OBLIGATIONS & PAYMENT INFORMATION

MONTESSORI GLOBAL
2026-2027 Tuition and Fees

All tuition payments are processed automatically according to the selected payment plan using the account on file. Families are required to maintain a valid payment method and ensure sufficient funds are available on the scheduled payment date.

Any changes to payment method or billing information must be submitted to the school at least three (3) business days prior to the scheduled payment date by contacting accounting@montessoriglobalri.com.

Payment Plan Options:

- **Payment in Full:** Total tuition balance by July 1st (5% discount).
- **Semi-annual:** Two equal payments of the total tuition balance (2% discount) due on August 1st and January 1st of the school year.
- **Monthly Payments:** 10 or 12 equal monthly payments of the total tuition balance due on the 1st of every month. The academic year for the 10-month program is August – May, and for the 12-month program it is August – July.

Late Payment Fee: A **$50 late fee** will be applied to tuition invoices that are not successfully processed by the due date. Accounts with an outstanding balance that remains unpaid for **sixty (60) days**, without an approved payment arrangement, may be referred to a **third-party collection agency**. MGRI reserves the right to **suspend a student's attendance** until a past due account is brought current.

Sibling Discounts: A tuition discount of 10% will apply to the oldest sibling and a 5% discount will apply to each additional sibling. Discounts are applied to out-of-pocket tuition costs only, are applied before any payment plan discount, and do not apply to fees, deposits, or Academic Enrichment Program charges.

Step Up for Students: Scholarship award information is due to MGRI by **July 1st**. Families are financially responsible for all tuition not covered by their scholarship award. If a student's total award amount is greater than their annual tuition and fees, families may request reimbursement from Step Up.

Tuition Obligations: Once a parent submits an executed enrollment contract and the required fees, a student will be enrolled for the entire 10- or 12-month academic year (or remainder of the academic year if applicable). Parent understands that the overhead expenses of the school do not diminish with the departure of some students during the course of the academic year and agrees that it is impossible for the school to determine at the time of the parent's execution of their enrollment contract the damage and loss to the school that would occur due to the later cancellation/withdrawal of students who have enrolled. This means that parent becomes liable for the entire academic year's tuition and fees as liquidated damages (and not penalty) even if the student is withdrawn, absent, or is involuntarily separated from School; UNLESS, a parent terminates their contract in strict accordance with the termination procedures outlined below. If Student is withdrawn, absent, or involuntarily separated, for any reason, including without limitation, change of residence, health, withdrawal, or expulsion, not in accordance with the procedure, there will be no refund or reduction of fees or tuition, and any unpaid balance may become immediately due and payable. If the Student is a scholarship recipient, and the funding does not meet 100% of the tuition and fees obligations, the customer is liable for the differential. The customer is responsible for all legal and collection fees if such actions are necessary by MGRI to obtain outstanding tuition.

Changes to Tuition, Fees, and Program Hours: MGRI reserves the right to change fees and program hours with at least 30 days' written notice to families. Tuition rates stated in an executed enrollment contract apply for the term of that contract. Tuition, fees, and program hours for future academic years are published before the re-enrollment period.

Tax Information: Some payments for care may qualify for the federal Child and Dependent Care Tax Credit (CDCTC) or an employer dependent care FSA, including tuition for programs below kindergarten and before- and after-school care for children under 13. Tuition for kindergarten and higher grades generally does not qualify. Please consult your tax advisor. Federal tax ID #: 45-4920620.

Termination Procedures: Parents may terminate their enrollment contract by paying a contract termination fee of $950 and submitting a 30-day WRITTEN Termination Notice to administration. The termination notice must (a) be dated, (b) state the student's name, (c) provide the termination date (student's last day) and reason for the termination of the Contract, and (d) be received by Admissions no later than 30 days before the student's last day of attendance. Parents must pay the contract termination fee in full prior to the termination date. If such termination notice, and fee, is timely received, parents will be relieved of all tuition and fees that would have come due after the termination date. Even if an enrollment contract is terminated pursuant to the terms of this Paragraph, parents understand that the school will not refund or prorate any portion of the student's tuition that has already been paid. This termination procedure applies to ALL student enrollment contracts regardless of student receiving scholarship assistance or Early Learning Coalition funding.
